

World Conference on Public Health and Preventive Medicine

May 17-19, 2027 | Osaka, Japan

BROCHURE

Welcome Message

Dear Colleagues,

We are delighted to welcome researchers, scientists, academicians, Public Health & Preventive Medicine practitioners, professionals, and industry experts from around the world to the World Conference on Public Health & Preventive Medicine (WCPHPM-2027).

This conference provides a global platform to exchange knowledge, present research findings, and foster collaborations that advance Public Health & Preventive Medicine.

About the Conference

The KINGLOB MEET cordially invites researchers, public health professionals, epidemiologists, clinicians, policymakers, academicians, healthcare practitioners, industry experts, and students from around the world to attend the World Conference on Public Health & Preventive Medicine (WCPHPM-2027), to be held on May 17–19, 2027, in Osaka, Japan. The conference aims to advance global public health by promoting innovation, collaboration, and evidence-based strategies for disease prevention, health promotion, and healthcare improvement. WCPHPM-2027 will provide an international platform for presenting cutting-edge research, exchanging knowledge, and discussing emerging public health challenges and sustainable healthcare solutions. The scientific program will feature keynote lectures, plenary sessions, technical presentations, workshops, poster sessions, and networking opportunities. Major topics include Epidemiology, Global Health, Infectious and Non-Communicable Diseases, Preventive Medicine, Health Policy, Environmental and Occupational Health, Maternal and Child Health, Digital Health, Public Health Nutrition, Mental Health, Vaccination, Health Equity, and Emergency Preparedness. Join us in Osaka for three inspiring days of scientific excellence, international collaboration, and professional networking dedicated to improving population health and building healthier communities worldwide.

Who Should Attend?

☐ Public Health Professionals ☐ Epidemiologists ☐ Preventive Medicine Specialists ☐ Global Health Experts ☐ Community Medicine Physicians ☐ Family Medicine Physicians ☐ Primary Care Physicians ☐ Infectious Disease Specialists ☐ Internal Medicine Physicians ☐ Public Health Nurses ☐ Nurse Practitioners ☐ Clinical Researchers ☐ Medical Scientists ☐ Health Policy Experts ☐ Healthcare Administrators ☐ Hospital Directors ☐ Health Economists ☐ Biostatisticians ☐ Data Scientists ☐ Environmental Health Scientists ☐ Occupational Health Specialists ☐ Nutritionists & Dietitians ☐ Mental Health Professionals ☐ Behavioral Health Specialists ☐ Health Promotion Specialists ☐ Maternal & Child Health Professionals ☐ Pediatricians ☐ Geriatric Healthcare Professionals ☐ Vaccination & Immunization Experts ☐ Disease Surveillance Specialists ☐ One Health Researchers ☐ Climate & Environmental Health Researchers ☐ Health Informatics Professionals ☐ Digital Health & Telemedicine Experts ☐ Artificial Intelligence in Healthcare Researchers ☐ Pharmaceutical & Biotechnology Professionals ☐ Medical Device & Diagnostics Industry ☐ Clinical Trial Professionals ☐ Laboratory Scientists ☐ Academic Faculty ☐ Professors & Lecturers ☐ Postdoctoral Researchers ☐ PhD Scholars ☐ Medical Students ☐ Public Health Students ☐ Government Health Officials ☐ Policymakers ☐ International Health Organizations ☐ Non-Governmental Organizations (NGOs) ☐ United Nations & WHO Collaborators ☐ Healthcare Consultants ☐ Healthcare Entrepreneurs ☐ Health Insurance & Health Systems Professionals ☐ Emergency Preparedness & Disaster Management Experts ☐ Humanitarian Health Workers ☐ Non-Communicable Disease (NCD) Specialists ☐ Health Communication Specialists ☐ Population Health Researchers ☐ Anyone interested in advancing Public Health and Preventive Medicine ☐ Others.

Why-Attend?

Benefits of Participation

- ✓ Present your latest research
- ✓ Meet international experts
- ✓ Network with global professionals
- ✓ Discover emerging technologies
- ✓ Publish and showcase your work
- ✓ Build academic collaborations
- ✓ Explore career opportunities
- ✓ Gain international recognition
- ✓ Attend keynote presentations
- ✓ Experience Osaka, Japan
- ✓ Others

Scientific Sessions

Major Conference Tracks

- Future Trends and Innovations in Public Health & Preventive Medicine
- Epidemiology and Disease Surveillance
- Infectious Diseases and Pandemic Preparedness
- Environmental and Occupational Health
- Nutrition, Obesity, and Lifestyle Disorders
- Digital Health and Telemedicine
- Health Equity and Social Determinants of Health
- Health Education and Promotion
- Women's Health and Reproductive Medicine
- Geriatrics and Healthy Aging
- Climate Change and Public Health
- Global Public Health Challenges
- Vaccination and Immunization Programs
- Public Health Policy and Management
- Mental Health and Well-being
- Health Economics and Healthcare Systems
- Disaster Management and Emergency Preparedness
- Artificial Intelligence in Public Health
- Occupational Safety and Industrial Hygiene
- Public Health Nursing and Clinical Care
- Water, Sanitation, and Hygiene (WASH)
- Preventive Medicine and Healthcare Strategies
- Community Health and Primary Care
- Maternal, Child, and Adolescent Health
- Non-Communicable Diseases Prevention
- Tobacco Control and Substance Abuse Prevention
- Rural and Urban Healthcare Innovations
- Genomics and Precision Public Health
- Biomedical Research and Translational Medicine
- Public Health Ethics and Leadership
- Future Trends in Preventive Medicine and Global Health
- Others
