

International Experts Summit on
Gynecology and Women Health

May 17-19, 2027 | Osaka, Japan

BROCHURE

Welcome Message

Dear Colleagues,

We are delighted to welcome researchers, scientists, academicians, Gynecology and Women Health practitioners, professionals, and industry experts from around the world to the International Experts Summit on Gynecology and Women Health (IESGWH-2027).

This conference provides a global platform to exchange knowledge, present research findings, and foster collaborations that advance Gynecology and Women Health.

About the Conference

The KinGlob Meet cordially welcomes you to the International Experts Summit on Gynecology and Women Health (IESGWH-2027), taking place on May 17–19, 2027, in Osaka, Japan. This global summit brings together gynecologists, obstetricians, researchers, clinicians, academicians, healthcare professionals, industry experts, and students to share knowledge and discuss the latest advances in women's healthcare. The summit provides an international platform to present innovative research, exchange scientific ideas, and foster collaborations that improve women's health across all stages of life. The scientific program includes keynote lectures, plenary sessions, oral and poster presentations, workshops, panel discussions, and networking opportunities. Major topics include Reproductive Health, Maternal and Fetal Medicine, Gynecologic Oncology, Infertility and Assisted Reproductive Technologies, Minimally Invasive Gynecologic Surgery, Urogynecology, Menopause, Women's Mental Health, Prenatal and Postnatal Care, Digital Health, Precision Medicine, and Artificial Intelligence in Women's Healthcare. Join us in Osaka, Japan, for three inspiring days of scientific excellence, innovation, collaboration, and professional networking dedicated to advancing women's health and improving healthcare worldwide.
