International Experts Summit on
Gynecology and Women Health

May 17-19, 2027 | Osaka, Japan

PROGRAM LIST

Plenary Speakers

Prof. JoAnn E. Manson

Title: **Optimizing Menopausal Hormone Therapy: Evidence-Based Strategies for Cardiovascular, Metabolic, Cognitive, and Healthy Aging Outcomes in Midlife Women**

Harvard Medical School & Brigham and Women's Hospital, USA

Prof. Mary E. D'Alton

Title: **Transforming Maternal Safety Through Quality Improvement, Precision Obstetric Care, and Innovations in High-Risk Pregnancy Management**

Columbia University Irving Medical Center, USA

Prof. Arri Coomarasamy

Title: **Evidence-Based Management of Recurrent Pregnancy Loss: Translating Clinical Trials into Global Guidelines and Personalized Patient Care**

University of Birmingham, United Kingdom

Prof. Liona C. Poon

Title: **First-Trimester Screening for Preeclampsia: Integrating Artificial Intelligence, Biomarkers, and Precision Maternal Healthcare**

The Chinese University of Hong Kong, Hong Kong

Prof. Linda C. Giudice

Title: **Precision Medicine in Endometriosis: Advances in Genomics, Molecular Diagnostics, and Personalized Therapeutic Approaches**

University of California, San Francisco, USA

Prof. Tom Bourne

Title: **Artificial Intelligence and Advanced Ultrasound Technologies for Early Pregnancy Assessment and Gynecological Disease Diagnosis**

Imperial College London, United Kingdom

Prof. Charles J. Lockwood

Title: **Innovations in Maternal–Fetal Medicine: Translating Scientific Discoveries into Safer Pregnancy and Childbirth Outcomes**

Yale School of Medicine, USA

Prof. Errol R. Norwitz

Title: **Emerging Strategies for the Prevention of Preterm Birth and Pregnancy Complications Through Translational Maternal–Fetal Research**

Tufts University School of Medicine, USA

Prof. Marian Knight

Title: **Reducing Maternal Mortality Through Population Health Research, Clinical Excellence, and International Collaborative Networks**

University of Oxford, United Kingdom

Prof. Sarah J. Stock

Title: **Innovations in Preterm Birth Prevention and Evidence-Based Interventions for Improving Maternal and Neonatal Outcomes**

University of Edinburgh, United Kingdom

Prof. Andrew Shennan

Title: **Global Advances in Maternal Health: Prediction, Prevention, and Clinical Management of Hypertensive Disorders of Pregnancy**

King's College London, United Kingdom

Prof. Andrew Weeks

Title: **Evidence-Based Obstetric Practice: Improving Maternal Outcomes Through Innovation, Simulation, and Clinical Research**

University of Liverpool, United Kingdom

Prof. Isaac Manyonda

Title: **Contemporary Management of Uterine Fibroids: Fertility Preservation, Surgical Innovation, and Women's Reproductive Health**

University of Roehampton, United Kingdom

Prof. Cindy Farquhar

Title: **Improving Fertility Care Through High-Quality Clinical Trials, Systematic Reviews, and Global Women's Health Research**

University of Auckland, New Zealand

Prof. Steven L. Young

Title: **Advances in Endometrial Biology and Reproductive Medicine: Molecular Mechanisms Influencing Implantation and Infertility**

University of North Carolina at Chapel Hill, USA

Prof. Neil Johnson

Title: **Improving Fertility Outcomes Through Assisted Reproduction, Reproductive Surgery, and International Clinical Guidelines**

University of Auckland, New Zealand

Speaker Slots Available

Keynote Speakers

Prof. Mats Brännström

Title: **Revolutionizing Reproductive Medicine Through Uterus Transplantation, Fertility Preservation, and Advanced Reconstructive Gynecologic Surgery**

University of Gothenburg, Sweden

Prof. William Ledger

Title: **Advances in Assisted Reproductive Technologies: Improving IVF Success Through Precision Medicine and Evidence-Based Fertility Care**

University of New South Wales, Australia

Prof. Ben W. Mol

Title: **Evidence-Based Women's Health: Transforming Obstetrics and Gynecology Through Large-Scale Clinical Trials and Global Collaboration**

Monash University, Australia

Prof. Davor Jurkovic

Title: **Innovations in Early Pregnancy Ultrasound, Ectopic Pregnancy Diagnosis, and Minimally Invasive Gynecologic Imaging**

University College London, United Kingdom

Prof. Jacques Donnez

Title: **Modern Management of Endometriosis, Adenomyosis, and Fertility Preservation Through Advanced Gynecologic Surgery**

Université Catholique de Louvain, Belgium

Prof. Richard A. Anderson

Title: **Protecting Female Fertility During Cancer Treatment: Advances in Reproductive Endocrinology and Fertility Preservation**

University of Edinburgh, United Kingdom

Prof. Adam H. Balen

Title: **Contemporary Management of Polycystic Ovary Syndrome: From Diagnosis to Personalized Fertility Treatment Strategies**

University of Leeds, United Kingdom

Prof. Andrew W. Horne

Title: **Emerging Molecular Targets and Novel Therapeutic Approaches for Endometriosis and Chronic Pelvic Pain Management**

University of Edinburgh, United Kingdom

Prof. Krina T. Zondervan

Title: **Global Research Advances in Endometriosis: Genetics, Epidemiology, Precision Medicine, and Women's Health Innovation**

University of Oxford, United Kingdom

Prof. Caroline E. Gargett

Title: **Stem Cell Biology and Regenerative Medicine in Endometrial Repair, Infertility, and Reproductive Health**

Hudson Institute of Medical Research, Australia

Prof. Petra De Sutter

Title: **Ethics, Innovation, and Clinical Excellence in Assisted Reproduction and Contemporary Women's Healthcare**

Ghent University, Belgium

Prof. Christian M. Becker

Title: **Precision Diagnosis and Personalized Treatment Strategies for Endometriosis and Chronic Gynecological Disorders**

University of Oxford, United Kingdom

Prof. Howard J. A. Carp

Title: **Advances in Recurrent Pregnancy Loss Research: Immunological Mechanisms, Diagnosis, and Evidence-Based Clinical Management**

Hadassah Medical Center, Israel

Prof. Stephen Tong

Title: **Biomarkers and Precision Medicine for Early Detection of Preeclampsia and Placental Disorders in Pregnancy**

University of Melbourne, Australia

Prof. Neil Johnson

Title: **Improving Fertility Outcomes Through Assisted Reproduction, Reproductive Surgery, and International Clinical Guidelines**

University of Auckland, New Zealand

Speaker Slots Available

Featured Speakers

Dr. Kecia Gaither

Title: **Advancing Maternal Health Equity Through Precision Obstetrics, Preventive Care, and Personalized Pregnancy Management**

NYC Health + Hospitals/Lincoln, USA

Dr. Lucky Sekhon

Title: **Emerging Innovations in Assisted Reproductive Technology, Embryo Selection, and Personalized IVF Treatment**

RMA of New York, USA

Dr. Jessica Shepherd

Title: **Transforming Midlife Women's Health Through Menopause Care, Lifestyle Medicine, and Hormonal Wellness**

University of Illinois Chicago, USA

Dr. Jennifer Gunter

Title: **Evidence-Based Women's Health: Combating Medical Myths in Menopause, Reproductive Health, and Gynecologic Care**

Independent OB/GYN & Author, Canada

Dr. Amanda Nickles Fader

Title: **Innovations in Gynecologic Oncology: Precision Surgery, Minimally Invasive Techniques, and Survivorship Care**

Johns Hopkins University School of Medicine, USA

Dr. Shannon M. Clark

Title: **Improving High-Risk Pregnancy Outcomes Through Clinical Innovation, Maternal Safety, and Digital Health Solutions**

University of Texas Medical Branch, USA

Dr. Heather Bartos

Title: **Comprehensive Women's Wellness: Integrating Hormonal Health, Sexual Medicine, and Preventive Gynecology**

Be. Women's Health & Wellness, USA

Dr. Taraneh Shirazian

Title: **Global Women's Health: Expanding Access to Quality Gynecologic Care Through Innovation and International Collaboration**

NYU Grossman School of Medicine, USA

Dr. Anna David

Title: **Fetal Therapy and Prenatal Diagnosis: Advancing Precision Medicine for Complex Pregnancy Care**

University College London, United Kingdom

Dr. Christina D. Chambers

Title: **Medication Safety During Pregnancy and Lactation: Advancing Maternal–Fetal Health Through Clinical Research**

University of California San Diego, USA

Dr. Leslie King

Title: **Modern Gynecologic Pathology: Molecular Diagnostics and Precision Approaches to Women's Reproductive Diseases**

Harvard Medical School, USA

Dr. Maria Sophocles

Title: **Personalized Menopause Management and Sexual Health Across the Lifespan: A Patient-Centered Approach**

Women's Healthcare of Princeton, USA

Dr. Zev Williams

Title: **Breakthrough Technologies in Reproductive Medicine: Artificial Intelligence, Genetics, and Improving IVF Success Rates**

Columbia University Fertility Center, USA

Dr. Michael A. Thomas

Title: **Future Directions in Reproductive Endocrinology and Infertility: Clinical Innovations and Fertility Preservation**

University of Cincinnati College of Medicine, USA

Dr. Hugh S. Taylor

Title: **Precision Medicine for Endometriosis, Infertility, and Uterine Disorders: Translating Science into Clinical Practice**

Yale School of Medicine, USA

Dr. Emad Mikhail

Title: **Advances in Minimally Invasive Gynecologic Surgery and Enhanced Recovery for Complex Benign Gynecologic Conditions**

University of South Florida Morsani College of Medicine, USA

Dr. Sarah Verbiest

Title: **Improving Maternal and Infant Health Through Community Engagement, Health Equity, and Evidence-Based Public Health Strategies**

University of North Carolina at Chapel Hill, USA

Dr. Catherine Racowsky

Title: **Embryology, Assisted Reproductive Technology, and Laboratory Innovations for Successful Fertility Treatment**

Brigham and Women's Hospital & Harvard Medical School, USA

Prof. Lesley Regan

Title: **Evidence-Based Women's Healthcare: Advancing Menstrual Health, Reproductive Rights, and Global Obstetrics & Gynecology**

Imperial College London, United Kingdom

Dr. Michael L. Eisenberg

Title: Male Fertility and Reproductive Health: Integrating Andrology with Couples' Fertility Care and Assisted Reproduction

Stanford University School of Medicine, USA

Speaker Slots Available

Note: This is a primary program slight changes may happen in the final Program

Greenwich Mean Time (+00:00)		
Day 1	Day 2	Day 3
Registration	Plenary Talks	Young Researcher Forum
Opening Ceremony	Technical Sessions	Poster Presentations
Keynote Lectures	Featured Talks	Awards Ceremony
Scientific Sessions	Networking Event	Closing Remarks
